

St. Lawrence's Conference

NEWSLETTER OCTOBER – DECEMBER 2017

Merry Christmas

GOOD BYE TO GEORGE ANTHONY

We would like to say good-bye to George Anthony who passed away last week. George was National Council Vice President and Twinning Coordinator and was one of the longest serving member of the Society. Rest In Peace!

Assist a Student Programme

Fees for the new academic year will be distributed to students registered with us shortly. We would like to thank our parishioners and twins in Australia for their generous support in assisting students from our parish.

This year our conference also contributed towards fees of deserving students. We have distributed fees to the students for the academic year 2016-2017.

We assisted a needy family in the basti, for fees and an emergence subsistence.

We look forward to the coming year for fees of deserving students.

Christmas

This Christmas our conference has plans to cover more areas of the parish.

Upcoming Events

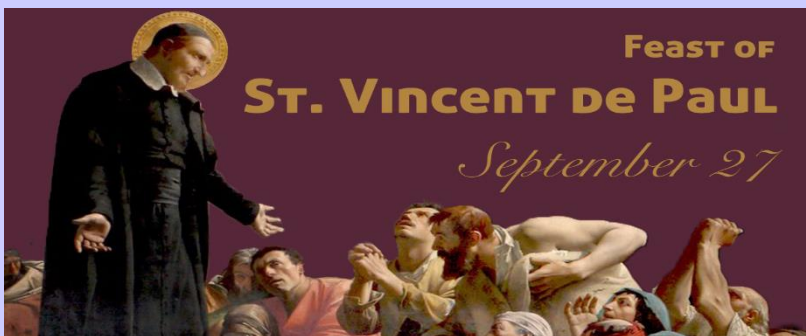

Visit to Janiville in August
Visti to Basti
Visit to SVDP Home
Visit to Maryville
(more events to come)

Visitations

Our conference visited a local hospital and enquired about their health.

We also visited families in the basti and will distribute hampers to a number of families.

St. Vincent DePaul's 400th Birthday

This year we celebrated 400 years of St. Vincent DePaul. The Regional Council organized a grand day to celebrate St. Vincent DePaul's Birthday. After Holy Mass an afternoon of entertainment and reflecting on his life was held. We thank the Regional Council for organizing the event. In connection with his birth a grand event was held in Rome.

We pray for recovery of members who are sick or in hospitals.
